OFFERING FRESH WORDS FOR A FRESH START

“**Effective** leaders in the 21st Century must be listening leaders, leaders who will identify productive areas of confusion and uncertainty, who will demonstrate that they do not have all the answers but are willing to learn, and who will be able to act differently, think differently, and seek inspiration from different leaders of the past” (White).

**Janell Rardon**, Author of *Rock-Solid Families: Transforming an Ordinary Home into a Fortress of Faith* (AMG Publishers/Living Ink Books), recently entered the empty nest phase of life energized, empowered, and engaged in embracing this new season of life with great gusto & reckless abandon! Often referred to as a liberator, a truth-teller, and a mover & shaker, Janell is a gifted communicator, whose passion for unity—particularly unity among women—coupled with her vivacious passion for God and uncanny ability to foster transparency, makes her a much-requested women’s speaker. Janell purports that even though women may differ in denomination, nationalities, age, or needs, most women share the desire to be accepted, affirmed, acknowledged, and advanced. Her vast experience as a Mistress of Ceremonies adds tremendous ease, energy, and enthusiasm to the fluidity of any program. Hoping to gain more experience and insight into helping exploited women worldwide through her ministry, *The Gathering: Women Helping Women Across the World*, Janell is currently pursuing her Masters Degree in Human Services/Marriage and Family Specialization through Liberty University’s Online Degree Program.

# Helping Women Worldwide!

“IF A MAN’S REACH DOESN’T EXCEED HIS GRASP, WHAT’S A HEAVEN FOR?”

Born into the home of an alcoholic father, Janell Rardon knows oh too well the pain and frustration of “dysfunction.” As a result, she responded to the call of God to write her first book, [\*Rock-Solid Families: Transforming An Ordinary Home into a Fortress of Faith\*](#) (AMG Publishers, Living Ink Books, 2007), in which she shares her struggles and sincere heartfelt dream of somehow raising a seemingly “normal” (smile) family of her own. Beating the odds and statistics stacked against them, Janell and husband, Rob, also from the home of an alcoholic father, have seen [Ephesians 3:20](#) come to life! As the parents of three twenty somethings, [Candace \(25\)](#), [Brooke \(21\)](#), and [Grant \(21\)](#), Janell and Rob find themselves humbled by the goodness of God. Written in timeless manner, straight from the depths of Janell’s heart, *Rock-Solid Families* offers incredible hope and promise for families looking to strengthen the foundation of their faith! With passion, power, and a whole lot of laughter and tears, Janell weaves her life story and experience into [fresh messages](#) that promise to inspire both life change *and* spiritual growth. Janell [loves to talk](#) (smile) and is available to discuss a variety of topics women and families face today, such as: Marriage & Family, Leadership, The Stages of Parenting, Women’s Issues, Spiritual Identity and Calling, Home Management, Preschool Development, The Writing Life, Home Education & Titus 2 Mentorship. Tune in every Friday for her VLOG, [Fresh Words for a Fresh Start](#).
